MEMORANDUM FOR: Comptroller

25X1

ATTENTION : [redacted]

SUBJECT : Reporting Under Allotment Control Procedure

Pursuant to our conversation of this date, there appears to be no reason why the Director's project may not come within the procedures outlined in the subject beginning 1 January 1956. As you are aware, we have been maintaining the information necessary to comply with this procedure from 1 July through the current date, and the only action necessary to comply fully will be transferring the totals from our current records to the forms prescribed for the Accounting Branch of the Finance Division.
